PROJECTS

DALL-E clone

May 2023

<https://dallehom.netlify.app/>

React, Node, Javascript, Tailwind CSS

- Built a responsive UI using React and styled it with Tailwind CSS, enabling users to input text prompts for image generation.
- Utilised JavaScript to handle and display real-time image data generated by the OpenAI API.

Portfolio Website

March 2023 – May 2023

<https://anati-portfolio.netlify.app/>

HTML, CSS, Javascript, Git

- Designed and developed a personal portfolio website showcasing my projects, experience, and skills
- Utilized HTML and Javascript for structuring web content and ensuring semantic correctness and accessibility
- Implemented a mobile-first design approach, optimising the website for seamless performance across various devices and screen resolutions

Track MyDooit

Nov 2022 – Jan 2023

<https://github.com/homuhomy/TrackMyDooit>

Android, Java, Firebase, Git

- Developed a financial management mobile app targeted at students to track and manage their finances effectively
- Designed and implemented an intuitive, user-friendly UI to enhance user experience and engagement
- Integrated Firebase as a backend solution to enable real-time data synchronisation, user authentication, and notifications
- Utilised version control with Git to track changes and facilitate collaboration on the project
- Led and manage the group

WORK EXPERIENCE

Children's Storybook Part-Time Illustrator

Mar 2021 – Present

Poisonboy and the Safety Rangers

- Collaborating with a US medical doctor and author to illustrate a series of educational children's books on child safety

Webcomic Illustrator

Jan 2020 – Mar 2021

Fateful Moon | FlyQuest: Midori Save the Bees

- Designed and drew a visually appealing webcomic series, meeting deadlines and working with authors to convey narratives and character development

CURRICULAR ACTIVITIES

USM VHACK

Mar 2023 - Apr 2023

Participant

- Create a mobile app for B40 and M40 users to enjoy discount and offers especially for them

Kechara Soup Kitchen

Sep 2019 - Dec 2019

Volunteer

- Prepared and distributed food to people without homes and assisted in grocery distribution for low-income families

Impact Malaysia

Jul 2019 - Aug 2019

Designer & Builder

- Designed and constructed custom furniture for local communities collaborating with Impact Malaysia
